## Wide Angle View Mirror

- Spherical mirror design allows a wide angle, clear view of everything behind you
- Eliminate lurkers are behind you
- Stop getting startled by sneaky people
- Clamp is strong and safe to use. Well-padded jaws protect your monitor, painted items, etc. Will hold strong to any item up to 2 inches $(5 \mathrm{~cm})$ thick.
- Fully flexible support arm allows you to optimally position the mirror for a clear-rear-view.
- Highest quality, real glass mirror provides a sharp and bright reflection
- Larger mirror size gives an even better view, allowing you to see EVERYTHING behind you.

## THANK YOU !!!
